

Travellers Autobarn now in New Zealand

Released 4 April 2016

Travellers Autobarn is proud to announce the opening of its own operations on the other side of the Tasman Sea – New Zealand!

KIA ORA!!!

For years Travellers Autobarn in conjunction with its partner in New Zealand, Happy Campers has been offering rentals from Auckland & Christchurch mainly via our online agent portal with great success.

As of 1st of September Travellers Autobarn will be offering its soon to launch Travellers Autobarn designed and built, game changing, Toyota Hiace, HiTOP budget rental campervan out of Auckland & Christchurch.

A favourite with the backpackers & budget conscious travellers from all over the world. Travellers Autobarn will be delivering the same friendly service and backpacker benefits, such as unlimited kilometres, rentals to 18-21 year olds at no extra cost, and no cash bonds and just great value spacious campervans. Everything that made us famous in Australia, **NOW IN NEW ZEALAND.**

The initial launch will see 3 Campervan offerings:

- **Escape Camper** – offered by NZ's iconic *Escape Campervans* – The best in class 2-berth Camper, featuring designs by NZ's best up and coming artists and the most SPACE of any 2 berth budget campervan in NEW ZEALAND
- **HiTOP Campervan** – Travellers Autobarn's traditional 2-3 berth budget campervan – a hit with all age groups
- **KuGA Campervan** - *****NEW PRODUCT ALERT***** Travellers Autobarn's very own DESIGNED & BUILT 2-3 berth budget premium HiTOP campervan – An absolute game changer for the backpacker market, built on the WORLD'S BEST LIGHT VAN the Toyota Hiace. More information on this exciting new campervan. Stay Tuned.

Travellers Autobarn aims to reach a fleet size of 300 campervans in NEW ZEALAND within a few short years and a combined fleet across Australia and New Zealand of 1000 Campervans within 5 years.

The current macro economic conditions that include low capital costs, low fuel costs and favourable exchange rates for travellers to Australia and New Zealand will make the next few years at Travellers Autobarn very exciting indeed.
