Wake Up! Sydney Voted Number Three In The World.

Wake Up! Sydney has been voted Third Best Extra Large Hostel in the World as well as Most Popular Hostel in Sydney at the prestigious 2017 Hostelworld.com Customer Annual Ratings (HOSCAR) Awards.

This is the second consecutive year that Wake Up! Sydney has received the title of Most Popular Hostel in Sydney. It was also named the Fifth Best Extra Large Hostel in the World at last year's awards.

Christian Millett of Wake Up! says:

“There have been some incredible large hostels to open up in Europe in recent years, so to be able to compete with them is a real honour.

“The market has changed so much since Wake Up! first opened 15 years ago. Each year we have to keep improving our product to keep up with our guests' growing expectations.”

The world's most-esteemed hostel awards, the HOSCAR Awards celebrate the top hostels from around the world as voted by their customers.

With over 50,000 eligible Hostelworld properties worldwide, and more than one million customer reviews each year, the HOSCAR Awards are considered to be the holy grail of hostel awards.
